

FROM THE PRINCIPAL

Dear Parents and Community Members,

Lafayette is a diverse neighborhood school that has a commitment to moving all of our students toward career and college readiness. We are proud to be a part of "No Excuses University." Our goal is to build a strong foundation for each and every student striving for a successful future. We are proud of the growth that our students are showing as they reach toward their year-to-year growth targets.

This year our goal will be to continue to promote a culture of universal achievement for all, by working collaboratively, aligning our day to day lessons to standards, planning for regular assessments of students knowledge, and using this assessment data to plan interventions and enrichment opportunities for all students.

The support of our school by you, the community, is an important factor in the success of our students. Attending school events, volunteering to support classroom needs, reading with your student, and asking them about their learning daily will continue to move Lafayette and it's students toward academic excellence. Please feel free to visit our school website and Facebook page for additional information about the great things happening at Lafayette. You are always welcome to stop by our school if you have any questions or concerns.

Thank you,

Principal | Jodi Smith
